

Week 7

Reading Week - 17–21 Feb 2020

No class this week. Instead take a break, catch up on this class and all your other classes. There are no office hours this week. Here's a meme to help you feel better.

Bonus! Here's your chance for some extra credit! 10 points extra credit (on the next exam) if you can create an original meme based on what we've learned in this class. Due this Friday! (21 Feb)

⚠️ Note that it must be of your own creation. If I find the meme online/somewhere else, then you will lose 2 points on your next exam instead.
